

The dioceses of Church of Sweden would like your response no later than March 15th 2010.

We ask each participant to bring one small item that is a sign or symbol of women as change makers in your community, women's group, family or country.

Further information regarding travel arrangements, registration etc., will be forwarded by your sister diocese in Sweden.

Church of Sweden Women and The Women's association of Church of Sweden Mission look forward to your registration.

The International Gathering of Church of Sweden 2010 in Växjö has as its theme Another world is possible.

We invite women from our sister churches throughout the world to join with women from Sweden in a gathering prior to this meeting.

Some of the primary objectives will be

- ❖ to share experiences
- ❖ to get new insights
- ❖ to strengthen fellowship
- ❖ to pray and sing and dance together
- ❖ to express women's contribution for a better and sustainable world

Our meeting place is at a folk high school near the venue for the International Gathering. This place, close to a lake and old historical sites, will give us good opportunities for lecture, bible study, discussion, worship and fellowship during the three days.

We will focus on women as change makers. Building on women's experiences from Africa, Asia, the Middle East, Latin America and Europe we want to contribute to a sustainable world that is a safe and good place for women and men, young and old, now and in the future.
